

Hazardous Materials Officer

We take over the function of Hazardous Materials Officer.

With us, there is no need to worry about danger: We take over for you the function and duties of the Hazardous Materials Officer in accordance with the Austrian Federal Law on Dangerous Goods and the ADR. You thus no longer need to appoint an internal officer, which saves you time and money for your own resources. And you can be assured that all obligations related to hazardous materials are being reliably fulfilled.

Our Services

1. We act as your Hazardous Materials Officer:
2. We inform you as to your legal obligations.
3. We support you in preparing and using appropriate shipping labels.
4. We advise you as to the transport of hazardous materials.
5. We draw up an annual report for your company management.

Your Benefits

- ✓ Relieving you from extra tasks and responsibilities
- ✓ Time and money savings
