

## Audit Consulting

We support you during external audits.

We are there for you when it counts: for example, during external audits in the area of packaging licensing. Even before auditing, we make sure that you meet all legal requirements. During the audit, we stand reliably at your side providing active support should any questions arise. You can thus be assured that you'll get through the audit without any difficulties.

### Our Services

1. We accompany you during audits in the area of the licensing of packaging.
2. We support you actively should any questions arise.

### Your Benefits

- ✓ Legal compliance thanks to personal consulting.
- ✓ Avoidance of complications.
