

Training and Workshops

We provide your employees with valuable expert knowledge.

The waste management domain is getting ever more comprehensive and complex. We keep your employees updated to help you earn top marks for your company. Our workshops and training will be tailored to your specific needs – which means that you and your staff will be informed on exactly those things that are relevant to your daily routine and your success. Why don't you benefit from the long-standing industry experience and the huge specialist knowledge our experts can provide!

Our Services

1. We offer training on how to perform separate collections in a company.
2. We show you the benefits offered by high-quality used materials.
3. We keep you updated on all aspects of in-house waste management.

Your Benefits

- ✓ Gain industry insight, tuned to your specific requirements
- ✓ Competent knowledge transfer through experienced experts
- ✓ Valuable input and all relevant new developments for your daily routine
- ✓ More time for you to focus on your core business
